Nonprofit Custom Publication Capture the community's eyes and hearts when you highlight your nonprofit in one of the Source Weekly's special Nonprofit Guides. These informative guides are priced with the goal of helping you inform the community of your mission. This is the perfect medium to promote your fundraiser, increase your contact base, and gather support for your important work. These rates are often much lower than the cost of a traditional newsletter with a much larger circulation. Guides are inserted in 15,000 copies of the Source on a week of your choosing. Additional copies are available for independent circulation. Rates include design services.
